Following months of extensive deliberation and careful consideration of member feedback, The Appraisal Institute Board of Directors voted this week to approve the proposed Candidate for Designation program, effective Jan. 1, 2013. The Appraisal Institute Board of Directors in September 2010 announced a new strategic vision for the organization that will implement a sweeping transformation by 2016, moving the organization from its present professional association business model to a professional society business model. The Board's action will begin that transformation.

Under the Candidate for Designation program, the Appraisal Institute will consist of: Designated members, Candidates for Designation, and Affiliates (practicing and nonpracticing), as newly defined. The program's emphasis will be on Designated members and those seeking to become designated. The proposed Bylaws implementing the program were sent to Appraisal Institute members Oct. 14. Learn more about the program at www.appraisalinstitute.org/myappraisalinstitute/CndtDsgntn/Default.aspx

In 2012, current Associate members will have the opportunity to choose whether they wish to become Candidates for Designation or Affiliates, as newly defined. The program will being Jan. 1, 2013. Notices regarding amendments to the AI Regulations, consistent with the new Bylaws, will be forthcoming.
